How to Obtain your CME Certificate

The Global Health Exhibition team would like to thank you for attending the live in-person conferences.

[Future of Preventive Health](#) has been awarded 6 CME hours.

Important Reminders:

- The SCFHS is a Saudi Arabian scientific commission that regulates health-care related practices and accreditation at all levels in Saudi Arabia.
- The number of CPD/CME credits that you can earn is based on the duration of your attendance in each session. Credits are calculated as 1 hour of learning is equivalent to 1 CME credit.
- To be eligible to claim credits, a minimum of 70% attendance is required.

CME credit claiming guideline for Saudi residents

- Please ensure that during registration you have submitted the required correct information including your SCFHS ID number
 - First Name
 - Last Name
 - Job title
 - Company
 - Email ID
 - Mobile number
 - Country
 - SCFHS ID Number
- If any of the submitted information are incorrect, you will not be eligible to receive the CME credits.
- If you would like to amend your registration information, please scan the QR code displayed onsite to access the form to use. You can also approach our badge assistance desk, or you may send an email to globalhealthcs@informa.com before the 31st of October 2023, 6PM (AST).
- **Reminder:** The organiser cannot accept further amendment requests after the 31st of October 2023, 6PM (AST). It is the attendee's responsibility to ensure these are submitted on time. The CME credits will reflect on the Mumaris accounts of KSA participants after **5 working days**, and only after review and approval by the Saudi Council.
- Please login on your SCFHS account to verify that the credits have been allocated.
- Should you have any queries, please contact LSRegistrationsteam@informa.com or submit your query thru SCFHS customer care [link](#).

Future of Preventive Health

31 October | Riyadh Front Exhibition & Conference Center (RFECC), Saudi Arabia

CME credit claiming guideline for non-Saudi residents

- The organizers will issue a CME certificate with the number of CME credits eligible to each attendee by the 9th November 2023.
- Certificates will be emailed from LSRegistrationsTeam@informa.com.
- The attendee can use the certificate to submit to their local bodies for cross recognition.
- It is important to note that the Saudi Council for Health Specialties does not have a formal agreement in place with other countries in terms of mutual recognition of CME credits. This would depend on the respective countries.
- You may contact our registration team via LSRegistrationsteam@informa.com if you fail to receive your CME certificate 20 working days after the last day of event.
